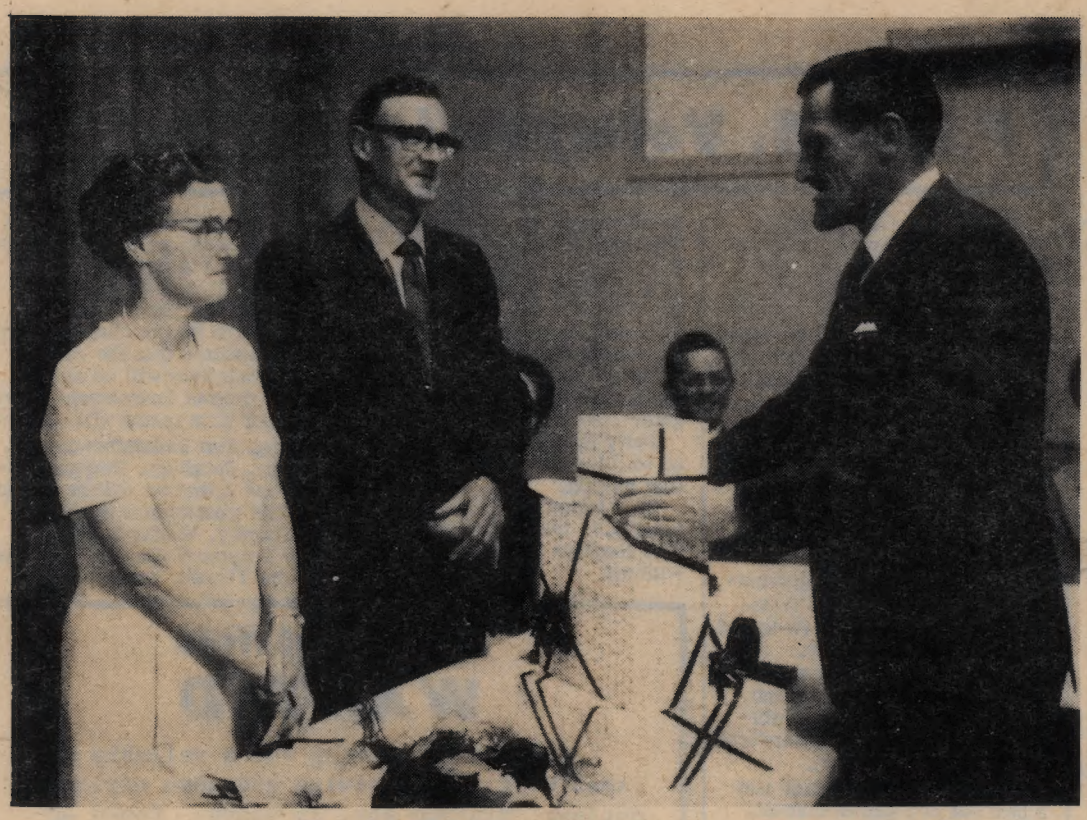
DRAYTON VALLEY, ALBERTA
WEDNESDAY, OCTOBER 29, 1969



Mayor Howard Pickup (R) presents Dr. and Mrs. Maclure with gifts from residents of town and district.

Maclures Honored at Community Gathering

Residents of Drayton Valley and area honored Dr. and Mrs. Maclure at a banquet in the Elks Hall Monday evening. Dr. and Mrs. Maclure have left the community to live in Edmonton and will be leaving in May for Africa and the mission field.

In Africa, Dr. Maclure will relieve the doctor now administering a 60-bed hospital in the Mountains Of The Moon area of Central Africa. Only one doctor serves the vast area and its heavy work load. When relieved by Dr. Maclure, the present medical missionary will enjoy his first furlough in seven years.

Dr. and Mrs. Maclure have lived in the community for the past 13 years as highly respected citizens. They leave behind many friends and much evidence of their impact on the community.

Their impact on the community was outlined by speakers during the evening. Rev. Gordon Ingram commented on their Christian impact and how their years here have enriched the community.

Mr. Ingram noted that the couple were always concerned with human development and were now answering a call to a part of the world where they can continue working with people who need them.

Dr. David Lewis said he could sum Dr. Maclure up with two words -- "enthusiasm" and "patience". His enthusiasm was evident in dedication to participant sports including skiing, swimming, canoeing, sailing and running. Dr. Maclure was a regular entry in the annual 5-mile road race and also instrumental in the formation of the Early Bird Swim Club.

He also noted Dr. Maclure's dedication to medicine and the fact that he was always willing to work a little harder. Dr. Maclure, he said, has earned the gratitude and respect of patients, community and the medical field.

During his 12½ years in Drayton Valley Dr. Maclure delivered 1,300 babies and performed 4,000 operations.

Dr. and Mrs. Maclure are both organists and he was the force behind organizing the community choir and the presentation of cantatas at Easter and Christmas. Despite a heavy practice, sports participation and

Former Residents Suffer Heavy Fire Loss

In a farm fire at Sangudo early Saturday, October 18th, Mr. and Mrs. Leo Burki lost their home and all possessions.

The fire started in the basement and was burning fiercely before help arrived. The Sangudo Fire Department responded to the alarm and controlled spread of the flames but could not extinguish the house fire.

Mr. Joe Burki, who lives with his brother and sister-in-law, is now on his way home from Switzerland and was not able to be reached with the news. He also lost all his possessions in the fire, including a hobby collection built up over a span of many years.

The Burki's lived at River Isle Ranch north of Drayton Valley for many years before moving to Sangudo about two years ago.

Court to Rule on Permit Refusal

At a hearing in the Supreme Court in Edmonton on Thursday of this week an attempt will be made by solicitors for Pembina Projects Ltd. to set aside Town Council's refusal of a building permit for post office renovations.

Town Council met Saturday morning in a special session with the town's legal representative Mr. Walder White to consider the case and decide on a course of action.

Mr. White stated that the only courses open were rescinding the refusal and attempting an amicable solution or letting the court decide. He noted that technicalities in the development by-law allowed Pembina Projects Ltd. a very good chance of winning the case.

Council members generally expressed the feeling that the stand was taken in the best interests of the community and that nothing in the interval since the original refusal has occured to change their opinions.

On this basis it was decided to let the case go before the court. Mr. White will represent the town at the hearing.

Voting in favor were Councillors Helm, Rose, Swendseid and Smith. Councillor Johnson recorded a negative vote. Mayor Pickup, although not required to vote, also voiced his support of the expression by the Council majority.

HUNTER TRAINING PLANNED

The Pembina Oilfield Fish and Game Association has announced plans for a hunter-training course and members are advised that applications will be handed out at the next meeting of the association in the Goliad basement on Thursday, October 30th. Members interested in the course are urged to attend.

Non-members of the F.G.A. interested in taking the course are also invited to attend the meeting as there may not be enough members interested to fill the class, in which case non-members would be welcome to take the course.

A special feature of the meeting will be an address by Mr. Ed Wildman, a Forester with the Department of Lands and Forests, who will speak and show slides on the subject of stream pollution.

This is a very timely topic and F.G.A. president George Hart points out that non-members are welcome to attend if they are interested in the pollution problem presently faced by the world.

Ski Club to Show Movies

The Drayton Valley Ski Club will present the colored film "'Ski the Outer Limits" in the Junior High School Auditorium on Wednesday, November 5th at 8:00 p.m.

The film features some spectacular skiing shots and will be accompanied by a shorter film on skiing at Marmot. Both films should prove of interest to skiers and also those who enjoy mountain scenery.

The film is being sponsored by the club to raise some much needed funds. A nominal admission of fifty cents for adults and 25¢ for students and children will be charged.

Help Proposed for Alberta Farmers

The Alberta cabinet will soon announce a program to aid farmers in the face of a light fall harvest scuttled by the weather.

Minister-without-portfolio Ethel Wilson, said in Edson Friday the crop situation is, "a provincial tragedy."

"Important decisions will be made in the very near future to tide the farmers over," she said.

"Within the past few days it has become apparent that little or no harvesting will be done in the province this fall."

Speaking to about 40 Social Crediters at a luncheon boosting the Socred candidate in Tuesday's byelection, Mrs. Wilson said this is the third crop failure in a row for farmers in some parts of the province.

Mrs. Wilson later said in an interview she did not know to what extent the government was prepared to offer financial aid.

She indicated the government has been watching the doubtful harvesting situation for some time, with the view to possible aid programs.

The snow this week "was the last straw" for the crops, and the cabinet is almost ready to announce the program, she said.

Mrs. Wilson was filling in for Premier Harry Strom who could not fly into Edson airport because of the low ceiling.

Tom Johnson Deputy Mayor

In our report last week of the inaugural meeting of Town Council we inadvertantly omitted mention of the appointment of Deputy Mayor.

Our apologies to Councillor Tom Johnson who was named Deputy Mayor for the ensuing year as well as heading up the Protection to Persons and Property Committee.

Plan Junior Art Classes

Children's and Teen's art classes will be offered in Drayton Valley. The instructor will be Mrs. Jean Pederson, formerly an instructor with the Calgary Allied Arts Council.

The instruction program will follow teaching concepts used by the Art Centres in Calgary and Edmonton, with instruction geared to each age level. Teens who are unable to attend the Drayton Valley Art Club (of which Mrs. Pederson is also a member) but who are interested in basic oil or acrylic lessons are welcome to attend.

For further information please call 542-3485.

Town Represented At Convention

The 63rd Annual Convention of the Alberta Urban Municipalities Association will be held in Edmonton Tuesday to Friday of this week in the Macdonald Hotel in Edmonton. Several members of the Drayton Valley Town Council expect to take in portions of the convention.

Maclures Feted By Community

music, Dr. Maclure found time to jog a few miles every day and also try his hand at painting.

Mayor Howard Pickup described the community to which the Maclures arrived in 1956. It is a tribute to them and people of their type, he said, that the community has grown from an oil boom town to its stature of today.

Both Mayor Pickup and the speaker who followed him, Chamber of Commerce President Bob Cowan, remarked on the enrichment of the community by the Maclures having lived here. Mr. Cowan outlined their community contributions and noted that evidence of these contributions would be apparent here long after their departure.

During the evening members of the community choir, organized by Dr. Maclure, sang excerpts from cantatas presented in past years. The Drayton Valley Ladies Group singers also sang a few songs during the evening.

Little Heather Cowan presented Mrs. Maclure with a bouquet of roses and presentations on behalf of the community and the Chamber of Commerce were made by Mayor Pickup and Chamber President Bob Cowan.

They were presented with a fine Bolex movie camera and purse of money from residents of the town and area and a desk set featuring Cardium formation drill core sections from the Chamber of Commerce.

Mrs. Maclure and Dr. Maclure both spoke and expressed their thanks. They remarked on pleasant acquaintances acquired through the years and of the memories of Drayton Valley they will take with them to Africa.

Dr. Maclure described the mission field they are leaving to serve. The hospital, he said, is about the size of the Drayton Valley Hospital but serving a much greater area and many more people. He will be the only doctor in the hospital and area.

Dr. Maclure also stated that the purse given to him would go toward equipment to help children in the hospital.

Africa is not new to the Maclures, they spent about 15 years in West Africa before moving to Canada.

Master of Ceremonies for the evening was Mr. Jack Pickett who introduced all speakers and expressed thanks to Chamber members and their wives who assited in organizing the function.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

The first snowfall of the season brings mixed reactions from different individuals. To children, it is usually an exciting event. So excited was Mrs. Trow's grade 1 class that she finally said "If you are not quiet, I won't let you out to play in it". This is quite a change from the usual "Better go out for a few minutes".

At the risk of sounding monotonous, will you please label all your children's mittens, footwear, etc. Already I noted an average of about 6 pair of boots in each bootrack, unclaimed. Children will often not claim their old boots, especially if they are getting a new pair. If names are on them, at least we can send them home, and you can pass them on.

Let's meet Mrs. Elaine Koebernick this week. She is a farm girl, being raised at Genesee, and attending high school at Thorsby. After attending the U of A for one year, she taught for 3 years in a country school in the County of Leduc. After moving to Drayton Valley, she taught grade 4 for six years and now is in her sixth year teaching grade 1. It is interesting to note that she took her 2nd, 3rd, and 4th years of university by Summer School and Evening Credit courses. She is now in her 5th year of study by taking another evening class.

At present she is Secretary-Treasurer for the D.V. Athletic Association. She is usually heard at football, baseball and hockey games and spends many hours cheering the players on. A real sports enthusiast, she enjoys bowling, ice-fishing, and ski-dooing. Her variety of house plants in the classroom attests to her ability of having a 'green thumb'. And in her "free time" she can also repair washing machines and dryers. Her husband is a mechanic and the Koebernick's have one son in Junior High.

Sincerely,
Olga Brown.

Midget Clippers Plan Practice

Drayton Valley Clippers (midget hockey team) will hold its first practice on Friday, October 31st at 5:40 p.m. at the Civic Centre.

Any boys that were born after December 31st, 1952 are eligible to play. Any boy in the Drayton Valley district who would like to try out is welcome.

The Clippers will compete in the Highway West 16 Midget Hockey League, and will also enter in Provincial Playdowns.

This practice will be followed by the Drayton Valley Rebels playing NAIT Ookpiks at 8:00 p.m.

F.M.H.S. Volleyball Scoreboard

Wednesday, October 22nd, Memorial High School in Stony Plain invited Seba Beach and Drayton Valley High Schools to participate in exhibition matches

Match 1 -- Warriorettes: Seba 9, FMHS 15; Seba 4, FMHS 15; Seba 12, FMHS 15. Warriors: Seba 9, FMHS 15; Seba 15, FMHS 10; Seba 10, FMHS 15.

Match 2 -- Warriorettes: Stony Plain 15, FMHS 8; Stony Plain 8, FMHS 15; Stony Plain 4, FMHS 15. Warriors: Stony Plain 4, FMHS 15; Stony Plain 9, FMHS 15.

Individual Acknowledgement-Strong serving: Pat Hoge (Warriorettes), Tom McGee (Warriors) Doug Ibbotson (Warriors). Passing: Linda Frank (Warriorettes), Jack Palmer (Warriors). Spiking: Terry Cable (Warriorettes), Ken Dusterhoft (Warrior), Larry Mattoon (Warrior).

In the girls match which was a best out of 5 games contest, on Monday, October 27th, neither A or B teams could get an organized attack going and lost 3 straight games to a well balanced team from Onoway.

The boys competition proved to be more evenly matched. When the final whistle had blown to indicate the end of the match, the FMHS Warriors had edged the Onoway men 3 games to 2. The final game which decided the winner was very exciting and at times very tense for the players. The Warriors early game 11-0 lead was short lived as the Onoway team came back strong to tie the game. The Warrior's finally recovered and won the game 15-12.

Terry Jevne is to be commended for his alert ball handling and fine spiking.

On Wednesday, October 29th F.M.H.S. teams compete in the first Pembina League game at Warburg.

Starting November 1st, Warrior and Warriorettes will divide their teams in half and attend two invitational tournaments. The Thorsby Tournament will decide the league championship. It is expected that the stronger representatives will be sent to the Ardrossan Tournament where tougher zone teams will be competing. Fort Saskatchewan, St. Albert, Salisbury, Drayton Valley and Ardrossan will be playing for the tournaments trophies.

Thorsby, Warburg, Winfield and Drayton Valley will compete in the Thorsby Tournament.

LETTERS

OPEN LETTER

To Public School Ratepayers
Drayton Valley & District
October 23rd, 1969

Re. New or additional High School facilities at Drayton Valley.

Early in the summer of 1969 a brief was submitted by your school committee to the School Buildings Board of the Department of Education, outlining projected future school requirements at Drayton Valley. This brief was submitted to the School Buildings Board to support a "Statement of Need" for additional school facilities here. The request of your school committee was for a new school building to be located on a new site and which would be used for High School and some Junior High School purposes.

Request was for a new school comprising 14 general classrooms 3 Science Lab. classrooms, 3 ancillary classrooms, library, 2 station industrial arts lab., language lab., 2 station home ec. area, 2 counselling rooms, infirmary, gymnasium, storage, Phys. Ed. office, business education suite comprising 3 classrooms, staff room and administrative offices.

Subsequently to this, on September 4, 1969 your school committee was advised by the School Buildings Board that they would approve an addition to the exisiting Frank Maddock High School comprising the following:

7 general classrooms, 3 science experience classrooms, 2 ancillary classrooms, language lab., library, one station home economics room, 2 station Industrial Arts lab., 2 counselling rooms, storage areas, informary, gymnasium (reduced in size from that requested), staff room and administrative areas.

The total area requested was 44,035 square feet, whereas the area approved was 28,870 square feet.

Your school committee did not agree with the proposal to add these facilities to the existing Frank Maddock High School due to the limited size of the site, the drainage problem that now exists at Frank Maddock High, and due to the fact that it would be very difficult technically to make an addition that could be reasonably integrated with the present facilities. The large concentration of students that would result from such an addition, in such a limited site area would also create administrative and traffic problems.

Your committee was prepared to concede some reduction in the size of the new facility, but felt very strongly that it should be situated at a new and separate location which is readily available.

Therefore, your committee undertook to appeal the decision of the School Buildings Board, and a delegation of the School Committee met with Mr. Bloxage, Co-ordinator of the School Buildings Board, to present the appeal. The situation was thoroughly reviewed in his presence, and he was made cognizant of all the various facets of the situation here, and of the reasons why it was felt the proposed addition would not be suitable.

In spite of this representation, your school committee has been recently advised by the School Buildings Board, that they hold to their original decision to approve only an addition, as outlined, to the Frank Maddock High School.

From our contact with Mr. Bloxage, it appears that there are three primary considerations that have influenced their decision, namely:

(a) Prevailing economic conditions are such that the Executive Council of the Provincial Government has directed the School Buildings Board to contain their capital expenditures to the minimum tolerable level.

(b) If the Separate School authorities of St. Anthony's School District in Drayton Valley, should at some time in the future decide to withdraw their High School students from the County School system, and demand their own High School facilities, it would make some of our proposed new facilitites redundant.

(c) The School Buildings Board is very strongly in favor of the proposed new Regional High School at Evansburg. The proposed south boundary of the attendance area for the Evansburg Regional High School would be at the correction line 10 miles north of Drayton Valley, which could adversely affect the total number of students obtaining their High School education at Drayton Valley.

In view of these circumstances your School Committee has decided to table the matter pending the outcome of the next plebiscite to be held relative to the Regional High School at Evansburg. This plebiscite is slated for December 4th, 1969.

I trust that this information will clarify the situation relating to new or additional school facilities in Drayton Valley.

Sincerely yours,
T.W.D. Johnson
Drayton Valley representative to County of Parkland School Committee. (retiring).

OPEN LETTER
TO ALL RESIDENTS

Rev. Father E. Lynch
Miles for Millions
Drayton Valley

Dear Father Lynch:

Thank you very much indeed for your cheque for $1,174.15 representing the proceeds of the Drayton Valley walk. I enclose herewith our official receipt.

May I take this opportunity to express our very grateful thanks and appreciation to all the members of your committee who participated in this very successful venture. The walks have aroused considerable interest in international development among Canadians of all ages and Oxfam, in cooperation with the local committees is carrying out an extensive follow-up program as to show people how their money is being spent. If we can be of assistance to your committee in such a follow-up program please do not hesitate to ask. I am enclosing some further material on Oxfam which can be made available to your committee, if they so desire.

Once again, may I express our very grateful thanks and appreciation for all your efforts and this further contribution to our funds. With renewed thanks and best wishes.

T.H.G. Fletcher,
Executive Director.

"Yes, Miss", replied a knowing little boy," wherever woman goes."

EDITORIAL COMMENT

Perhaps We Qualify for Depressed Area Aid

A recent letter from Prime Minister Trudeau to ex-mayor Dr. Henry Shimbashi astounded many town residents with the statement that the economics of the local situation did not warrant federal outlay of funds for construction of a post office.

What about some of the other places where the government expended or is expending funds? Many of them could be considered disaster areas compared to Drayton Valley.

Drayton Valley residents don't buy the economics bit. They're not so stupid that they can't see clearly what is going on and their thinking will probably be reflected in the next election.

Unfortunately, it appears that our M.P. Allen Sulatycky is caught in the middle of a situation over which he has no control and one which is probably causing him considerable concern. In a recent letter to the editor of this newspaper Mr. Sulatycky noted that he has attempted for a year to obtain a suitable new building for Drayton Valley, and will continue to do so. He also notes a recent editorial in The Western Review on the subject and correspondence from concerned citizens.

Town Council is still fighting for a new post office and if you feel the fight is worthwhile, the way is always open to let the Member know how you feel.

Congratulations F.G.A.

Our congratulations to the Pembina Oilfied Fish and Game Association for its attempt to do something about the pollution problem facing our country by bringing in a speaker versed on the topic.

A small step perhaps, but informed citizens will swell the ranks of those who recognize an enormous threat to our way of life, and even life itself. It is a step that must be taken by many more individuals and organizations to bring pressure to bear on those who are satisfied to befoul air, land and streams in their pursuit of the buck.

UNICEF's Big Night

For 365 days - and nights - of the year, the United Nations Childrens' Fund - UNICEF - does its best for the millions of children all over the world who lack even the barest necessities of life.

The United Nations Childrens' Fund devotes all its time, energy, and resources to helping the world's unfortunates wherever they may be. UNICEF carries on its work with remarkably small amounts of money. Small in comparison to amounts spent in ways that do not better the living standards of the less fortunate people of the world.

On one night only of the year - just one short evening - the children of Canada ask you to do your best for UNICEF.

Please drop a coin or two into the orange and black box this Hallowe'en. That's UNICEF's big night in Canada.

Look for the UNICEF box. It's bound to show up at your door sometime during the evening.

Small kindnesses, small courtesies, small considerations, habitually practiced in our social relationships, give a greater charm to the character than the display of great talent and accomplishments.

BERRYMOOR NEWS

Mr. and Ivan Whittaker and family of Edmonton were Sunday visitors at the home of Mr. and Mrs. Roy Lawson.

Peter Maine of Buck Creek spent part of the weekend at the home of his school chum, Fred Martin.

Mr. and Mrs. Allen Bryant are the proud parents of a baby girl born on Thanksgiving Day in the Drayton Valley Hospital.

Congratulations to Mr. and Mrs. Brian Thorsen who were married in Lloydminster on October 11th. At present this young couple are in Berrymoor where Brian is helping his brother Dwayne with the harvest.

Mr. and Mrs. Gordon Tryon and daughter of Ryley spent the Thanksgiving weekend with Gordon's parents in Alsike and Mae's parents in Berrymoor.

Harvey Van Ember and his son Hal are both ill at home. We hope they will be feeling better soon.

Earl Lawson was home for a couple of days recently. He is employed in the southern part of the province.

Mr. and Mrs. Russell Hutchinson and family of Lindale motored to Jasper during the Thanksgiving Day weekend.

Mr. and Mrs. Donald Martin were visitors at the home of Mr. and Mrs. Murray Schneider of Drayton Valley one evening last week.

Friday, October 17th was initiation day at the Breton High School. Some of the young people from our district had the rather doubtful pleasure of going through the strange activities that had been planned for them.

A shower for Mr. and Mrs. Bill Gilchrist was held at the home of Mr. and Mrs. Martin Lietz on the evening of October 18th. Quite a few friends and neighbors were present and were very nicely thanked for their gifts by both of the young newly weds.

The fall achievement day of the Lindale 4-H Swine Club was held on the afternoon of October 18th. In the evening a banquet and sock hop was held in the Lindale School gymnasium. We wish this club every success in their future activities and would like to compliment the leaders on a job well done.

Charles Martin spent the weekend at the home of his parents, Mr. and Mrs. Donald Martin. It wasn't much of a holiday for him as he got drafted immediately to run the combine.

Get well wishes are extended to Miss Marilyn Van Ember who is confined at home by illness.

The W.A. of the Berrymoor Pentecostal Church held their October meeting at the home of Mrs. Valera Martin on the evening of October 14th.

Best wishes for a speedy recovery go out to Edward Fewster who is a patient in the Drayton Valley Hospital.

A tupperware party was held at the home of Mrs. Joyce Harder on the afternoon of October 22nd with Mrs. Gladys Paul of Thorsby as demonstrator. Those present spent a very enjoyable afternoon and were served a delicious lunch by the hostess. Another tupperware party is planned for the afternoon of November 5th at the home of Mrs. Isobel Martin. Any ladies who are interested are welcome to attend. Mrs. Paul will again be the demonstrator.

Congratulations to Mrs. Ruth Berry who was the jackpot winner at a bingo held in Drayton Valley on October 18th.

The Berrymoor Three B's Club will hold its October meeting at the home of Mrs. Susan Roberts on the afternoon of October 25th. This meeting was to have been held at the home of Mrs. Olga Van Ember but had to be changed because of illness in the Van Ember home.

Word has been received that Mr. and Mrs. Sam Tweedle of Quesnel, B.C. are the proud parents of a baby girl, born on October 22nd. So congratulations to Mr. and Mrs. Allen Wideman on becoming grand-parents once again.

Our current snow storm and cold weather appears to signal the end to all harvesting operations for this season. A lot of grain is still out in the fields and this is a tough break for our farmers, especially in a year in which mother nature has already been anything but kind.

Sincere sympathy is extended to Dwayne Laughlin who had the misfortune to break his arm.

Son: "Did you go to Sunday School when you were a little boy?"

Father: "Why certainly, I never missed a Sunday."

Son: "See Mom! It won't do me any good either."

Couple Exchange Vows In St. Anthony's Ceremony

Bouquets of yellow and white chrysanthemums graced the alter in St. Anthony's Roman Catholic Church, Drayton Valley on October 11th as Velda Mae Thompson, daughter of Mr. and Mrs. Vaughn Thompson of Drayton Valley, and Ronald Henry Clemont, son of Mr. and Mrs. Edward Clemont of La Fleche, Saskatchewan, exchanged vows in a beautiful afternoon mass. Rev. Father Lynch officiated at the double ring ceremony and Barry Thompson, brother of the bride, read the Epistle.

Given in marriage by her father, the bride looked lovely in a princess style long gown of white peau-de-soie with a flowing train from her waist, with illusion veil. She carried a bouquet of red roses with white streamers and red rose buds and lily of the valley.

The bridesmaids were Mrs. Ann Thompson, sister-in-law of the bride, Miss Marion Primrose, Miss Christine Ohlsen, friends of the bride, and Miss Edmee Clemont, sister of the groom. They wore identical dress of long satin gold gowns, white slippers and white gloves. Each wore a gold cross and pearl and carried a bouquet of small white carnations. In their hair they wore small white carnations. The flower girl, Candice Ball, was dressed like the bride with a smaller bouquet of red roses with white streamers.

The best men were Mr. Julian Jilbert, brother-in-law of the groom, Mr. Barry Thompson, Mr. Danny Thompson, brothers of the bride and Mr. Don Hardy, friend of the groom. Arthur Clemont, brother of the groom, was ring bearer. Kent and Murray Thompson, brothers of the bride, were ushers.

For her daugher's wedding, Mrs. Thompson wore a cinnamon dress with matching coat. She wore brown accessories, her corsage was a pale mauve orchid with white carnations.

Mrs. Clemont chose a mauve dress with matching coat, her corsage was a pale gold orchid and white carnations.

During the mass, Mrs. Betty McGee sang "On This Day" and "O' Sacred Heart O' Love Divine", during the signing of the register, accompanied by Mrs. Wood on the church organ.

The reception was held in the Royal Canadian Legion Hall. Supper was served by the Legion Ladies Auxiliary.

Mr. Raymond Beland acted as Master of Ceremonies. Father Lynch said the grace. Mr. Barry Thompson proposed a toast to the bride to which the groom ably responded. Mr. Julian Jelbert proposed a toast to the bridesmaids.

The head table was centered with a three-tiered wedding cake, topped with an alter and bride and groom and four bridesmaids and best men standing on red carpet stairs. Flanked by yellow candles and fresh mums.

Telegrams were read from Wayne Thompson in Ontario and aunts and uncles.

After a honeymoon trip to Banff, Jasper and Waterton Lakes, the happy couple will make their home in Wainwright where the groom is employed.

Out of town guests attended from Edmonton, Slave Lake, La-Flesche, Saskatchewan, Bonnyville, Calgary, Moose Jaw, and Lac La Biche.

BURTONSVILLE NEWS

Mr. and Mrs. Mickie Jackman and daughter Stacey of Seba visited old friends in this area last week.

Leroy and Garry Greanya with friends, visited Eldon and Marge on Saturday and helped them dig some potatoes.

On Sunday, Mr. Charlie Bennett and Mrs. Dorothy MacDougall of Keephills visited with Stanley Davis and Ken MacDougall.

Mary Tattersall had some of her children visiting her and David on Sunday afternoon.

Cecil and June Homme called in at Mr. and Mrs. Adrein Charlett's on the 20th to wish a happy birthday to June's grandmother Mrs. Reich who was celebrating her 89th birthday. Mrs. Reich is making her home with her daughter Millie Charlett and family.

Mr. and Mrs. Wilfred Tyler of Riding Mountain, Manitoba visited Dick and Lily Wheadon and family at Whitecourt on Thursday of last week and journeyed on to Edson to visit Mrs. Tyler's brother, Paul and Ruby Walker. They plan to return to Barrhead to visit with their daughter Verna and family for a couple of weeks.

Rev. Kennedy visited some of the sick folks at the Stony Plain Hospital on Monday. He also visited for a short time with his son Eldon and his daughter-in-law, Mrs. Ross Kennedy who is moving to Cranbrook, B.C. where her husband is employed.

Swathing is pretty well done but few are finished combining and with snow falling things don't look very promising for completing the harvesting.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending October 23, 1969 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week est.	12,300	7000	5300	2250	800
Last week	7893	4439	3454	1901	395
Same week 1968	9936	5240	4696	2385	2923

SUMMARY:

With snow and rain in all Edmonton marketing areas cattle and calf receipts were sharply higher as the fall run gets underway. Trade was active throughout on all classes. There were about 800 head thro-billed to other centres. Increased offerings of butcher steers and heifers, which were mostly of good to choice quality sold firm to 25 higher. All grades of cows sold strong to 1.00 higher. Bulls steady. All replacement classes generally steady to firm under a good demand.

Slaughter Cattle & Calves -- Butcher steers and heifers opened the week under a stronger undertone and sold on a firm basis throughout the week with buyers keenly interested in the high yielding handyweights. As the week closed a few lots of choice good conditioned steers sold for 26.90. Choice butcher heifers were mostly in the 25.50 to 25.75 range with sales to 25.90. All grades of cows for slaughter and feeding were 1.00 higher as the week closed. Good butcher cows were in demand by packers with the odd sale over 22.00. Bulls steady. Veal calves scarce at steady prices. Most all calves in the 300-400 weight range moving out as stockers. Heavy butcher calves (400-750 lbs.) steady.

Replacement Cattle & Calves- Replacement trade continues active at firm prices with sufficient local and eastern orders to take care of increased offerings. Stock calf prices were generally unchanged from the previous week. A few lots of well bred lighter weight green heifer calves sold over quotations.

Shipments -- Last week's shipments off the Edmonton Stockyards: East 315 butcher cattle and 600 feeders. West 360 for slaughter; to Southern Alberta 300 feeders.

"A little bit higher Gram!"

ST. ANTHONY'S NOTES

By Susan Pezzot

A Hallowe'en Dance was held in the St. Anthony's School gymnasium on October 25th, from 8:30 to 11:30 p.m. Admission was $1.50 per couple. Dress was semi-formal, but the girls were allowed to wear jeans or elephant pants, as long as they were not blue jeans. Blue jeans were acceptable on boys, if they were pressed and hemmed.

The theme of the dance was, "The Rise of the Great Pumpkin" To everyone's surprise and astonishment, around 11:15, the Great Pumpkin actually put in an appearance. Some anonymous individual, dressed up as an enormous pumpkin, joined in with the dancers and bobbed around on the dance floor.

Thanks to the decorating committee, the gym looked very nice, decorated with orange and black streamers, orange balloons and real pumpkins lighted up with candles, and paper witches, owls, black cats and so on.

Music was supplied by "Tomorrow's Past", of Drayton Valley. The dance was invitational meaning that students of St. Anthony's could invite people from other places. Refreshments were sold, supplying the good turnout of people with appetite and food quenchers.

On Saturday, our two teams, the Angels and the Saints, attended a tournament held in the Frank Maddock High School gymnasium. The Angels did quite well as they placed second out of five teams and received a trophy. Unfortunately the boys did not do as well.

The newspaper staff held a contest for someone to design the cover of the paper. This contest was won by John Fournier who will receive as his prize, free copies of the paper for all of this year. Myself, as editor, would like to thank all participants in this contest.

Guest Speaker to Address Chamber

Regular meeting of the Drayton Valley and District Chamber of Commerce will be held at 7:00 a.m. on Tuesday, November 4th, rather than the usual Thursday meeting day.

Colin L. Rines, of the Dominion Chamber, will be guest speaker at the breakfast meeting in the Cardium Room. A good turnout is requested.

Tomahawk 4-H Beef Club trophy winners are shown here. From left to right are Linda Piskunowicz, Joan Scheideman, Bobby Enjeneski, Kathy Goertz, and Jim Scheideman.

Trophies Presented At Tomahawk 4-H Banquet

Annual banquet and presentation of trophies by the Tomahawk 4-H Beef Club was held in the Tomahawk Hall on Friday, October 24th.

Master of ceremonies for the occasion was club member Rodney Jouan who introduced guests, club members and the principal speaker for the evening, Mr. R.T. Youck, Supervisor of 4-H, Department of Youth.

Mr. Youck, who accompanied Alberta 4-H members to the Montana 4-H State Congress, built his address around the Customs questions -- Who are you? Where are you going? -- What do you have to declare?

4-H members, he noted, can generally answer the questions satisfactorily on the basis of a background of sincere club work. Members of the 4-H, he said, are acquiring the tools to help them prepare for a better future.

Two members of the club who achieved fine results in the 4-H public speaking contests early last spring were called on to speak and very capably showed why they were finalists in the competition. They were Linda Piskunowicz and Kathy Goertz.

They were followed by the club's public speaking coach Mr. B. O'Farrell, a teacher at the Tomahawk School.

Miss Cheryl Ditchuk was M.C. for the presentation of trophies with awards going to the following:

Linda Piskunowicz, Efficiency Trophy, presented by D. Shadeck, Allis Chalmers Dealer; Bob Enjeneski, Grand Championship Trophy, presented by Mr. Frank Neil, Royal Bank, Drayton Valley; Jim Scheideman, Reserve Championship, presented by Vic Patrick, Cormie Ranch; Linda Piskunowicz, Showmanship Trophy, presented by C.W. Schoepp Garage; Joan Scheideman, Best Record Keeping Trophy, presented by Mr. Roger Perras, Tomahawk Hotel; Fred Gruber, Best Gaining Calf, presented by Walter Ditchuk. West Alta Livestock Association; and Kathy Goertz, Best 1st year member Trophy, presented by Mr. Joe Jouan for Jouan's Hardware, Tomahawk.

Presentations ended with a gift from the club presented to leader Dave Case by Linda Piskunowicz.

Mr. Case was called on to speak and reviewed the activities of the past year. Of the clubs 18 calves, 14 graded as choice at the Achievement Day, he said.

Mr. Case also named the members who were runners-up in the trophy presentations. Attendance during the year, he said, was 93 percent with half of the members scoring perfect attendance.

Reorganization of the club is to take place in the hall on Tuesday, November 4th. Mr. Case urged parents as well as club members to be present for this meeting that will set the club's plans for the next year.

Club President, Bob Enjeneski was also called on to speak briefly, and was followed by the showing of movies to end the evening.

MAGNOLIA NEWS

October seems to be wedding anniversary month for our local residents and also for folks who have lived here many years. We extend congratulations to Orris and Dorothy McWillis who celebrated 36 years of wedded bliss on October 1st.

October 2nd, 1920, 49 years ago, was the day that Mrs. Fred Harris became the bride of Mr. Fred Harris. Although they have not lived in this community for a little while, all of us extend them best wishes.

Also celebrating 36 years of happiness together are Mr. and Mrs. Chris Christensen who were married on October 16th.

October 22nd, 1938 was the day Cecil and Marie June began their 31 years of happy married life together. Congratulations to all of you.

Mr. and Mrs. Rudolph Gylander accompanied their complete family to Mayerthorpe to partake of Thanksgiving dinner with their son Doug and daughter-in-law Marg. 36 members of the family sat down to a delicious meal. Besides these folks there were two babies, one grandson and one great granddaughter, making a total of 38.

Mr. and Mrs. Ray Storms are delighted to welcome a new grandson born on Saturday, October 18th. His parents are Phil and Shirley Storms.

Connie and Don Rose visited with her folks this weekend.

Len, Norma and Sherry Williams have returned from a week's visit with Norma's parents, Mr. and Mrs. Boddez at Calahoo.

This community will be glad to hear that Roy Walker is home from his stay in hospital and is feeling much better.

Orris and Dorothy McWillis had their daughter, Vivian and her family visit them over the long weekend.

CONTROL OF RATS AND MICE

Rats and mice are the most widespread and destructive pests in the world. They eat and contaminate vast quantities of food and other materials, they destroy buildings and property and they spread numerous diseases.

Detailed information on eliminating rodents is contained in the Canada Department of Agriculture's publication "Control of Rats and Mice", available from district agriculturists and the publications office of the Alberta Department of Agriculture, Edmonton.

HOCKEY REGISTRATION

The specific time set aside for the registration of Minor Hockey players has passed. That was Friday and Saturday of last week and Monday and Tuesday of this week. At this writing slightly over 70 boys have registered in the local Minor Hockey program. Registration will continue until the maximum number of players is reached, however, this registration will be on a catch as,as catch can basis. No further specific times will be set aside for the registration of late comers.

As has been expected the early registration strongly favored the Mite and Pee Wee levels. Less than a dozen have registered for Bantam competition and no registrations have been received from prospective Midget players. Just what is the cause is not clear, however, if most prospective players do not register within the coming week, it will most certainly delay the opening of the Minor Hockey season. After all registrations are received, teams must be formed and balanced. This in itself is a painstaking and time consuming job. So folks there you have it, register now and start playing hockey next week or register next week and start playing hockey the week after or late. The choice is yours.

ALL STAR TEAMS

There seems to be some misconception about the formation and operation of All-Star teams on the local Minor Hockey program this winter. First of all there will be All-Star teams at the Pee Wee, Bantam and Midget levels competing during the coming season. Secondly, these teams will be representing the Town of Drayton Valley in the Hi-Way 16 Minor Hockey League. Thirdly, players are picked for these teams on merit, in other words, a boy must make the team to play. Fourthly, it is expected that each one of these All-Star teams, Midget, Bantam and Pee Wee will play 20 or more games during the season, with league competition, exhibition games and finally all three teams are entered in the Provincial Playdowns which are played off during February and March each year. Boys who do not make the team in each case will be playing in the regular Community League on the same basis as last year. In fact these community league games will operate on the basis of a farm system for these All-Star teams.

Making the All-Star team at any level does not mean that the boy concerned will be playing any less hockey than the young fellow playing in the Community League. He may not be playing that much more either. We hope that when all is totaled next spring that the teams representing the town in the Hi-Way 16 League and the teams in the Community League will have had approximately the same number of games. In both cases schedules will be as heavy as proves to be satisfactory to all concerned.

OFFICIALS' CLINIC

The Hockey Officials' Clinic will go on as scheduled this Saturday and Sunday, November 1st and 2nd. Approximately 15 persons have registered for the clinic which will be held at the Centennial Civic Centre. The Clinic will run from 10 a.m. to 5 p.m. on both days. The Clinic is sponsored by the Town of Drayton Valley and the Alberta Amateur Hockey Association.

The registration fee is $1.00 for each candidate and all candidates are responsible for their room and board, travel expenses and lecture supplies.

The instructors for this clinic are chosen by the Department of Youth of the Provincial Government and we have been assured that a top notch man will be on hand for this clinic.

Any and all persons interested in hockey officiating should be on hand to take advantage of this splendid opportunity.

KEEP FIT CLASSES

Ladies Keep Fit Classes will be held every Tuesday and Thursday evening starting Thursday, October 30th at 8:00 p.m. in the St. Anthony's School gym. The instructor for this activity will be Miss Linda Frank. Linda attended the Recreation Leadership Course in Drumheller last summer and is well qualified to lead these classes. For further information call the local Recreation Department at 542-3327.

Datsun 1600 gives you a powerful good feeling

If you only drive the Datsun 1600 around town, you may never find out what you've got.

Sure, it's a great city car. Compact. Handy. It zips through traffic, parks in impossible slots and squeezes up to 35 miles from a gallon of gas. But that's not all it is. Not by a country mile.

Find yourself a country mile and see.

There's a high-performance 1600 cc overhead cam engine lurking under the hood. 96 hp. 100 mph. Let it loose, and feel the way the Datsun snugs down to the road as you go through the box. And feel the way it hangs on as you snake through the bends. Drive it fast and just feel good.

Then take a look at the package all this goodness comes in.

Two doors, four doors, or a wagon, 4-on-the-floor or 3-speed automatic transmission. Contoured bucket seats, all independent suspension, collapsible steering columr., flow-through ventilation, heater, defroster, headrests, harnesses, the works. No other economy car is as safe, powerful and comfortable as the Datsun 1600.

When you've wrung out the Datsun 1600, take it back to the dealer and have him quote you the price just one more time.

That will give you a pretty good feeling, too.

Test-drive a Datsun at any of the 200 dealers in Canada.

ALDER FLATS NEWS

Sympathy to Mrs. Morris Dunn and family on the passing of her mother, Mrs. Caroline Walton of Coleshill, England in late August.

Due to the small attendance at the first Home and School meeting last month, the completion of the election of officers was postponed until the next meeting in November. Home and School meetings are held every second month this year.

Karen Larson was a patient in the Drayton Valley Hospital recently.

Byron Larson was home last weekend and attended his graduation exercises at Winfield Friday evening. Diane and Alex brought him home and spent the long weekend at the Larson's, Donnie Maciborsky also arrived home with them for the weekend. Dennis Maciborski took him back to the city on Monday and they both attended the football game between Edmonton and Montreal.

The Alder Flats grade seven and eight boys won their football game at Winfield last week.

The steak supper and dance held October 10th was quite successful despite the rain and the Winfield Graduation held the same evening. Ninety-nine tickets were sold for the supper. The steaks were cooked to perfection by chefs Schuyler Durant and Dick Clemmer. Profits for the evening totalled $237.52. A special thanks to Lorraine Moore and all the other ladies for their assistance and donations.

The annual Community Association meeting was held Wednesday, October 15th with 18 in attendance. Election of officers took place with the outcome as follows: President, Gordon Foss; Vice-president, Al Maclean; Sec. Treas., Joyce Hayduk; Recreation Directors, J.L. Seely, Morris Dunn, Lorraine Moore, Sharon Kellgren and Anne Olsen; Youth Directors, Alex Danyluk, Ken Hayduk, Howard Pearson, Eric Wennerstrom and Hap Schaurite; Recreation Directors, Ted Maclean, Arnold Kellgren, Bob Wennerstrom, Norm Moore and Reg Bywaters. Each group will elect a chairman before the next meeting. Hockey sweaters are to be purchased by the C.A. for the Bantam hockey team. Meetings will be held on the third Wednesday of every month at 8 p.m. Membership to this organization is open to anyone wishing to join, the fee is one dollar.

Mr. and Mrs. Tommy Sheridan of Ponoka spent from Sunday to Wednesday at the Darrel Hammonds and Alex Danyluk's.

Mr. and Mrs. Hector Letourneau and sons of Edmonton were out on the weekend of the 10th visiting relatives and took in the steak supper and dance.

Mr. and Mrs. James Maciborsky and family of Wetaskiwin were Sunday supper guests at Pete Maciborsky's and visited other relatives in the district.

Blayne Johnson spent the weekend with his dad at Faucett.

Owners of new vehicles in the district are Vic Forchuks and Steve Stefura's.

On Sunday, November 2nd, church services will be held at the Covenant Church with special speaker Albert Josephson of Edmonton.

A wedding dance for Thyra Kellgren and Rodney Siemens on November 7th.

The weather was more appropriate for a Christmas concert than for the annual Fall Harvest Sale and Bingo Friday evening. The ground was covered with several inches of snow and the temperature was pretty cool, nevertheless the attendance was large and it was with regret that the bingo cards were sold out and some were unable to participate in the game.

The sale, bingo and awards presentations were held in the school auditorium. Mrs. Dunn, president of the Home and School, introduced the principal Mr. Pearson, who then announced the names of the students receiving awards. Mrs. Dunn presented each student with a cup engraved with 'Ross Memorial 1969'. Mr. Larson on behalf of the Alder Flats Royal Canadian Legion presented Chris Olsen with a $25 cheque for his academic achievement in grade ten for the Ross Memorial Scholarship. Winners of the fair were also announced. Chris Olsen also received the $15 from the H & S Ross Memorial Scholarship. Mr. Farrel assisted Mr. Pearson for the bingo.

Following is a list of the winners with congratulations to each one: Academic Awards: Gr. 1, Grant Patten; Gr. 2, Lance Schneider; Gr. 3 Linda Maciborsky; and Julie Miller; Gr. 4, Heather Shanks; Gr. 5, Richelle Maciborsky; Gr. 6, Trudy Knight Gr. 7, Mary Dunn; Gr. 8, Richard Dominy; Gr. 9, Daniel Howatt; Gr. 10, Chris Olsen.

Best All Around Student: Gr. 1, Linda Sluchinski; Gr. 2, Jenny Miller and Janice Pye; Gr. 3, Loretta Haire; Gr. 4, Thomas Leslie and Gloria Maciborsky; Gr. 5, Lorna Turner; Gr. 6, Gregory Hayduk and Cindy Waytovich; Gr. 7, Debby Wennerstrom; Gr. 8, Susan Wennerstrom.

Fair winners: Dale Hoflin, 1st in Montage; Jim Keskenny, 2nd in Montage; Lance Schneider, 2nd in Sculpture; Debby Beale, 3rd in Sculpture; Brian Schauerte, 1st for Scrapbook; the Grade 2 class in Mural; Karen Larson, 3rd in Color Printing.

Bingo winners: Bonnie Pye, pillow cases and measuring cups; Ted Maclean, place mats and hurricane candles; Mrs. Mary Wennerstrom, turn table and waste basket; Mrs. Iver Turner, pillow cases and tumblers; Robert Durant, towels and plaque; Alex Danyluk, blanket and plaque; Barbara Hare, bowl set and refrigerator set; Albert Kellgren, wallet set and fancy dish; Sandy Sluchinski, garbage can and jewellery; David, chip and dip set, copper plaque and 10 gallons of gas; Brenda Schneidger, paint by number set, plaques and oil change; Mrs. Marie Blades won the $15 blackout bingo. Consolation winners of 1 dollar were Lana Blades, Greg Hayduk and Vince Schaurite.

Mr. Alex Danyluk auctioned off the remaining sale goods during bingo intermission.

Sympathy is extended to Mrs. Scrybalo and family on the passing of John Scrybalo on Tuesday, October 21st. The funeral was held Saturday at the community hall.

Hospital patients are Mr. Sam Thibault in the University Hospital and Mrs. Stowell in the Drayton Valley Hospital. A speedy recovery is wished for them.

Hallowe'en Appeal For U.N.I.C.E.F. Planned

Friday, October 31st is Hallowe'en, and once again it will be time to think about the underprivileged children around the world.

The town has once again been sectioned off, and each individual household should expect about 5 boxes.

Please have your nickels, dimes and quarters ready when the little canvassers come calling. The money will bring benefits of food and medicine to thousands. Money collected will provide food and medicine as follows: 1¢ - 5 glasses of milk; 5¢ - enough vaccine to protect 5 children from T.B.; 10¢ - penicillin to cure 2 children of yaws; 25¢ - 125 vitamin tablets.

Any individual persons, organizations or companies wishing to contribute can contact one of the following ladies. Mrs. Sophie Lemermeyer at 542-3569; Mrs. Mary-Ann Legas 542-3603, or Mrs. Maga Telford at 542-3202. Any contribution regardless of size would be greatly appreciated. Thank you for your co-operation. See you on the 31st.

Canada Savings Bonds can make good things happen to you—now and in the future. Millions of Canadians know this. Last year they bought more than three billion dollars worth. Their reasons for buying? Simple.

Canada Savings Bonds are easy to buy for cash or on instalments where you work, bank or invest.

Canada Savings Bonds are cold hard cash—instantly. They can be redeemed anytime at their full face value plus earned interest.

They are safe—backed by all the resources of Canada. A very *special* security.

And this year Canada Savings Bonds give you the best return ever!

New Canada Savings Bonds now yield an average of 8.00% a year when held to maturity.

Each $100 Bond begins with $7.00 interest for the first year, pays $8.00 interest for each of the next two years, and then pays $8.25 interest for each of the last six years. On top of this you can earn interest on your interest.

Double your money in nine years! Buy yours today and make good things happen to you!

BEST EVER!

LIONS HOLD LADIES' NIGHT

The Drayton Valley Lions Club held its first ladies night of the season on Tuesday, October 21st in the Cardium Room.

About 30 Lions entertained their wives and several guests to a very successful social evening after a summer of very hard work in building the new rodeo grounds, which kept the Lions away from home and family many evenings.

After a delicious chicken supper, the entire group was presented with a varied program by the program committee under the chairmanship of Lion D. MacKenzie.

A demonstration was given with one of the latest visual-aid teaching equipment, presently on loan from the Parkland County Educational Committee to the Frank Maddock High School.

A musical program was presented by Messrs. Eriksson of Drayton Valley and Janzen of Tofield, which was enjoyed by all.

A general sing-song was led by Lions President R. Woods and accompanied on guitar by one of the new Lions members John Braybrook, who also played some solo numbers.

The evening was concluded with an exciting horse race game, complete with para-mutual betting, in which the ladies proved to be the most fanatic but successful participants.

LOW PROPERTY FIRE LOSSES DURING FIRE PREVENTION WEEK

Do fire losses decrease during a time of high promotional propaganda? The Provincial Fire Commissioner says "yes". In addition, I believe there is a carry-over value in that property owners are more receptive to fire prevention and fire protection improvements. There were 37 fires and a $21,190.00 fire loss reported for Alberta during Fire Prevention Week; whereas, the average weekly losses are 108 fires and a $280,000.00 property loss based upon 1968 statistics.

Lest we be lulled into a false sense of security, we must also be aware that there were two fire deaths and one injury in Alberta during Fire Prevention Week. The fact that the fire deaths occurred outside of buildings may raise the question that even the best fire departments and the most complete and effective fire inspection program, could not prevent these two unfortunate deaths. This leads to the conclusion that being alert to a fire is a personal problem that may sometimes be shared but cannot be completely delegated.

Honest praise will oil the machinery of life and make it run smoothly. The praise must be honest; otherwise it will degenerate into flattery, lose its value and even become a liability.

Alan Stewart, Floyd Lauer.

Junior High Points: Floyd Lauer, Alan Stewart.

Other trophies were awarded for events which are not run every gymkhana. One is not an event but is given to the person who tries the hardest and wins the least. The winners of these are: Aggregate High points, Floyd Lauer; Adult Trail Horse, Corrine Dix; Intermediate Trail Horse, Scott Meston; Low Points, David Swap; Adult Horsemanship and Sportsmanship, Lawrence Duperron; Intermediate Horsemanship and Sportsmanship, Wayne Thomas; Junior Horsemanship, Sportsmanship, Alan Stewart.

Ashtrays engraved with their names were given to the timers and other people who help our montly gymkhanas. A special award, the highlight of the night, was given to Mr. Jim Butz who, though he does not ride, does more to help support our club than a good many who do. He was given a lifetime membership in the Lariat Gymkhana Club and seemed very pleased with it.

Walt Meston's horse, Petter Sunday was also given a special award. Some members of the club who didn't think he had enough tail hairs, got together thinned their own horse's tails a bit and made him 'a fall'.

We would also like to ask whoever mistakenly took a small blue jacket belonging to Kevin Laughlin of Lindale, and left another in its place, to contact Percy Laughlin of the same address. The one left is too small and little Kevin would appreciate getting his own back.

EMMAUS LUTHERAN CHURCH CELEBRATES 10th ANNIVERSARY

On Sunday, November 2nd Emmaus Lutheran Church in Drayton Valley will celebrate the 10th anniversary of the dedication of their church building. Special services to mark this event will be held at 11:30 a.m. and 2:30 p.m. A fellowship meal will be served in the church hall following the morning service.

Speaking at the afternoon service will be the Rev. Arthur Gehring from Stony Plain, Alberta. The local pastor, Rev. Dale D. Mohr will preach the morning sermon.

Emmaus Church, situated at the corner of 50th Ave. and 46th Street was dedicated on November 1st, 1959. The pastor at the time of dedication was the Rev. John Karlen, who left shortly after the church was completed to assume a pastorate in the United States.

Even though Lutheran services were held in the area for many years, particularly at Violet Grove and Rocky Rapids, the present congregation traces its beginning to November, 1955 when Rev. Edgar G. Greve, then a student pastor at Rochfort Bridge, held the first services in the Scout Hall.

Under the leadership of the Rev. John Karlen, resident in Tomahawk, the congregation built their present building. The Rev. Edward Steyer, who served from 1961 to 1964 became the first Lutheran pastor to take up residence in Drayton Valley. Rev. Galen Drawbaugh was next to serve here from 1966 to 1968. It was at this time that the congregation purchased the present Lutheran manse at 5009-46 St. The present pastor, Rev. Dale D. Mohr, has been serving since July, 1968.

Improvements made to the church since the time of dedication include a fine electronic organ purchased in 1962 and the completion and decoration of the church hall in the basement in 1968.

At the time of dedication in 1959 the congregation numbered 72 confirmed members while today the church lists 202; multiplying nearly four times in ten years.

The present officers of the congregation are: Ted Schuman, president; Henry Janzen, vice president; George Elliott, secretary; Erven Rendflesh, treasurer; Sigmond Moltzan, financial secretary; Henry Metzger and Wilbert Liske, elders; William Dusterhoft, Otto Nickel, and William Kruger, trustees; and Charles Schneider, head usher and Sunday School superintendent.

The public is invited to attend the special services and the fellowship meal. The entire day is planned as an open house for all the members of the community.

Continue Brucellosis Vaccination

Alberta's farm Brucellosis vaccination program will continue on a voluntary basis with each cattle owner deciding for himself whether or not to vaccinate his heifer calves, says an official of the Alberta Veterinary Services Division, Dr. W.P. Brisbane, head, communicable diseases, said farmers are being advised to continue vaccinating replacement heifers so that considerable resistance against Brucellosis can be maintained in the herd. Bull calves must not be vaccinated.

Dr. Brisbane noted that the age for "official" vaccinates is now three to nine months of age and recommends that every effort be made to vaccinate heifer calves as early as possible. Heifer calves should not be vaccinated when they are over nine months or 269 days of age as they will not be classified as vaccinates for blood testing or export purposes.

U.S. import regulations permit the importation of "officially" vaccinated heifers up to 30 months of age without blood tests. On the other hand, some European countries will not purchase vaccinates or cattle from herds in which vaccination is practiced. Purebred breeders especially, should attempt to have their heifers vaccinated as close to the three month age as possible. However, anyone exporting to Russia or some other foreign countries should not vaccinate at all, advises Dr. Brisbane.

Brucellosis is under control at the present time in Alberta but it has not been completely eradicated. "It is the responsibility of each individual cattleman to protect and guard against Brucellosis gaining a foothold in his herd" Dr. Brisbane warned.

Summary Regular Meeting Of Parkland Council

Regular meeting of Parkland County Council, started on Tuesday, October 14, and was continued on Thursday, October 16 in the County Office in Stony Plain.

Members present were Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

Mr. Harold Fuhr of Stony Plain was present at the meeting with respect to his request for an approach to the E½ NW 32-52-1-5. It was agreed that the Council negotiate for the purchase of a fraction in the south-west corner of the SE 5-53-1-5 to provide the requested access.

Mr. Jacob Troudt, shop foreman, was present at the meeting regarding the mechanical condition of the tandem truck and other matters.

POLICE DEPARTMENT REPORT

The report of activities of the Police Department for the month of September 1969 was accepted.

The following actions were implemented with respect to the Police Department:

Policy Handbook containing rules and regulations for the operation of the Department was adopted.

It was suggested by Councillor Lent that each Councillor prepare a list of all posted speed zones in his Division to update the existing bylaws. Recommendation approved.

It was agreed that Radar speed control cable be purchased and shop personnel make a tripod for the radar set to aid in speed checking.

It was agreed that a ventilation fan be installed in the cell block at Wabamun.

It was agreed that all occupants of mobile home in the County on January 1, 1970 be required to pay the applicable licence fee within 15 days for the full year 1970 after which the occupant will be liable to prosecution and that persons occupying mobile homes after January 1, 1970 will be required to pay the full licence fee for the balance of the year.

REQUEST FOR LIBRARY GRANT

It was agreed to advise the Town of Drayton Valley that all Library Associations in the County would be treated equally and that its request for a library grant of $750 could therefore not be honored.

It was agreed to deposit the sum of $600,000 in the Canadian Imperial Bank of Commerce for a period of 90 days at an interest rate of 8.3%.

Letter dated October 1, 1969 from the Alberta Motor Transport Association was read to the Council advising that a number of member gravel truck operators had complained that the hourly rate paid by the County to gravel haulers is too low. It was agreed that a reply be forwarded advising that no change in the rates would be made this year due to the restrictive budget and that the rates will be reviewed in 1970.

REQUEST FOR SHARING CENTENNIAL ARENA OPERATION COSTS IN DRAYTON VALLEY

Letter dated September 22, 1969 from the Town of Drayton Valley was read to the Council requesting cost-sharing for the Centennial Arena in Drayton Valley on a two-thirds to one-third basis as this had been the policy with Local Improvement District No. 77. It was agreed to table this matter for more information.

Offer to purchase two 6"x14"x 24' timbers for the sum of $10 was received from Mr. Ed Lutz of Duffield and was accepted.

Request for payment of additional compensation for land acquired for road widening was received from Mr. Edward Munch of Winterburn. Letter dated September 30, 1969 from the above was read to the Council requesting payment for land acquired for road widening in the SW 17-53-26-4 as that paid to the owner of another quarter in the same section. Mr. Munch also requested refund of taxes on two acres of land as it has now been determined that there are only 158 acres in the quarter and not 160 acres as indicated in the Certificate of Title.

It was agreed that these requests be refused as the higher rate paid to the owner of the quarter in the same section was due to an oversight and that taxes cannot be refunded as the assessment had to be based on 160 acres according to the Certificate of Title.

Offer to purchase Lots 3 T036, Block 7, Plan 4733A.Q., Fallis for the sum of $10 per lot was received from Mr. Roderick Hurst of Fallis. Offer was not accepted for the reason that it is too low.

Request for installation of a culvert in an approach to the NE 1-52-1-5 was received from Mrs. Sharon C. Schoepp of Stony Plain. Referred to Councillor Bailey for attention.

1969 requisition received from Edmonton and Rural Auxiliary Hospital and Nursing Home District No. 24. Based on equalized assessment the County share of the 1969 requisition is $2,979.42. Accepted.

PURCHASE OF TRUCK

It was agreed to purchase one new Ford, Model F505 Chassis and Cab from D. V. Ford - Mercury Sales Ltd. of Drayton Valley for $4,676.50 for septic tank cleanout.

Offer to purchase 28 feet of used, damaged culvert for the sum of $5 was received from Mr. Raymond Hennig of Edmonton was accepted.

Letter dated September 26, 1969 from the Village of Spruce Grove was read to the Council advising that the Village is proposing to apply for annexation of all that portion of the NE 33-52-27-4 situated in the County of Parkland No. 31. It was agreed that this proposed application not be opposed.

Request for removal of buildings from the road allowance west of Lot 1, Block 13, Plan 5174K.S., Ascot Beach was received from Mr. Charles C. Shirvell of Edmonton. It was agreed to request the person responsible for the buildings on the road allowance to remove them within 30 days, failing which, action will be taken by the County Police.

It was agreed that the Department of Highways and Transport be informed of a dangerous situation that exists on Highway 16 in the Village of Spruce Grove opposite the Village office. This condition is the result of a "Blind" spot caused by improper lighting.

Prairie Provinces to Sign Water Apportionment Plan

Hon. H.A. Ruste, Alberta Minister of Agriculture, has announced that an agreement has been reached on a water apportionment program which designates the sharing of the interprovincial waters of the Saskatchewan Rivers system amongst the three prairie province, Alberta, Saskatchewan and Manitoba.

Under the terms of the agreement, which will be signed in Regina on October 30th, 50 percent of the water which rises in the system west of the Alberta-Saskatchewan border must be allowed to pass into Saskatchewan with recognition of prior rights due to existing irrigation developments in Alberta.

The master agreement is a four-party affair in which the Government of Canada, as well as those of theprairie provinces approves of the apportionment agreement.

Trophy winners of the Drayton Valley 4-H Beef Club are shown here with Mr. Doug Bienert, Regional 4-H Representative for the Department of Youth. From left to right are Wayne Thomas, Sandra Guze, Valerie Guyon, Marilyn Rasmussen and Mr. Bienert.

Drayton Valley Beef Club Awards Night

Members of the Drayton Valley 4-H Beef Club wound-up the season's activities with a banquet and awards night in the Legion Hall on Thursday, October 23rd.

Parents, guests and club members enjoyed a delicious supper provided by member's mothers in the Legion Hall Thursday evening and later heard a talk by Mr. Doug Bienert, Regional 4-H Representative.

Mr. Bienert outlined the present-day activities of 4-H and described the spread of new clubs to activities not previously considered a part of 4-H. He cited auto mechanics and photography clubs now being organized as examples of the new trend.

Light horse clubs are also becoming very popular, he said. He noted that there were previously two such clubs in his area and the number has now grown to eight.

Presentation of trophies was conducted by Club Leader Mr. Otto Guze with most donors in attendance to congratulate the winners and make personal presentations.

Among the winners were: Wayne Thomas, Best Pen of Three, Block's Store Trophy; Sandra Guze, Judging, Pembina Drug Trophy, Showmanship, F.U.A. Local Trophy, and Efficiency, Treasury Branch Trophy; Valerie Guyon, Best Records, Royal Bank Trophy; and Marilyn Rasmussen, Best Calf, Valley Drug Trophy.

Reorganization meeting of the club will be held Tuesday, November 4th at 7:30 p.m. behind the D.V. Elementary School in the white portable building.

All boys and girls between 12 and 21 are urged to attend. One or both parents of each 4-H member or prospective member is asked to accompany them.

D. V. Highlights

BY MRS. EDITH DEBY

Neighbors and friends of Mr. and Mrs. Edward Hines Sr. are most cordially invited by the couple's family to a celebration of their 40th wedding anniversary on November 7th in the Elks Community Hall in Drayton Valley commencing at 8:30 p.m.

Mr. and Mrs. John Janzen, of Surrey, B.C., were visitors at the Jason Hazzard home for a few days. Mrs. Janzen is the former Miss Avaleen Hazzard.

Miss Charlotte Parenteau is being feted by friends in honour of her forthcoming marriage to Mr. Glen Swenseid.

Sorry to hear that Bradley Lockhart has been a patient in hospital.

Mrs. Kenneth Landsiedel presented her husband with twin girls last week. The Landsiedels live in Swan Hills now.

The Savage family will be moving to Grande Prairie in November. Good-Bye and Good Luck, folks.

Mrs. Kenneth Machan went to New Westminster last week to bring her nephews, Michael and Kevin Hoover, to live in Drayton Valley for a time while their mother is recovering from an illness.

Clayton Hines, son of Mr. and Mrs. George Hines, has been in hospital for the past month suffering from an attack of rheumatoid arthritis.

Mrs. Helmer Johanson, of Lumby, sends greetings to all her Drayton Valley friends and promises to write soon.

Sincere sympathy is extended to Mrs. Virgil Batke whose father passed away in Camrose last week.

Do you remember Miss Shevkenik who was on the teaching staff here for some time? Miss Shevkenik is a missionary in Pakistan and India working under the auspices of the Presbyterian Church.

Everything that can possibly be said to and of Dr. and Mrs. Maclure has already been said in the past few weeks as they have prepared to leave Drayton Valley so perhaps all that is left for me to say is a hearty "Good Bye. It's been good to know you."

Curlers Meet At Lodgepole

A curling club meeting was held to discuss the coming season. Anyone interested, please add your name to the list at the post office. Your support will help to keep our two sheets of artifical ice in use for another long successful season.

Another meeting will be held on November 3rd at the curling rink. Please attend.

How come it's a nice cup of tea but a good cup of coffee?

RAMONA NEWS

The children of the community enjoyed their annual Hallowe'en party on Sunday, October 26th. About 35 children enjoyed the hot dogs, ice-cream and candy bags. All the costumes deserved a prize but there were a limited number of prizes so we did our best to pick the best costume. The prize winners in the six and under class went to Pammy Beauchamp, Debbie and Penny Putnam, Kathy Solomon, Kathy Karach and Lanny Kelly, also Benjy Putnam. In the 7 and over class the prizes went to Wayne Beauchamp, Terry Kelly, Tina Hallett, Gordon Kelly, Beth Thompson and David Kmyta Winners of the game prizes were Marilyn Gordon and Chrissie Stewart. A big hand to Phyllis Kelly for organizing the party and to the mothers who helped her.

Penny and Benjy Putman drove to Bon Accord with their dad on Sunday evening to visit their Grandma Putnam and Uncle Bob. Sharon and Debbie had to stay home as Deb has to go to school and they were going to stay at Bon Accord Monday and Tuesday.

Joan Beauchamp was in to visit Craig Hallett last week and says he is coming along nicely. Joan is sending Hallowe'en bags in to Craig and his room-mates. The other bags are going to our local hospital to the children's ward. Phyllis Kelly will deliver them.

The Girl Guide Club would like to thank Mr. and Mrs. Tim Hutchinson for finding and returning the ticket book Beth Thompson lost. Beth had sold all her tickets except five and was about ready to return the money to the people who had bought tickets from her. Then on Monday evening I got a call from Mrs. Hutchinson, her husband had found the ticket book and she would buy all the rest of the tickets. Beth was real pleased to get her book back. Thank you folks.

We would like to remind the mothers of the community that the Christmas party is coming up and would you teach your youngsters a poem or skit that they will be able to do for the concert. We will be holding practice sessions at the hall closer to Christmas and will let you know when they will be held.

Happy birthday this week to Dianne Kos, Delbert Darragh and Edwin Hallett October 30th, Debbie Putnam October 31st, and Ronnie Kos November 5th. We hope you all have a very happy day.

The Ramona Community League monthly meeting is Tuesday, November 4th. Our monthly bingo is Tuesday, November 18 as the second Tuesday falls on Remembrance Day. The jackpot is $120.00. Whitby's bingo will be November 13th.

Report Serious Beef Cow Shortage in Western Canada

The shortage of beef cow breeding stock is becoming so serious in Western Canada that future production is bound to be affected unles remedial action is taken soon, says the Alberta Department of Agriculture's livestock specialist Jack Kerns.

He blames a number of factors for the present beef cow shortage. Low net incomes from cow-calf enterprises over a 10-year period has caused many operators, particularly in grain growing areas, to switch to the feeder business. Generally high feed grain yields across the prairies has fostered this trend.

Cow-calf operations, returns to labor and management per cow wintered in Alberta (from Alberta Cow-calf Analysis Report) 1968, $9.00; 1967, $6.12; 1966, $19.00; 1965, .44¢;

An increase in the number of cattle feeding enterprises has put pressure on the feeder market, which in turn, has resulted in lighter cattle going into feedlots. Feedlot operators, says Mr. Kerns, have become increasingly aware of the economy of feeding lighter cattle for cheaper gains and faster growth. As this feedlot buying pressure became greater, it overlapped onto all aspects of potential feeder cattle supply. Dairy type steers, crossbreds, off-color animals and even heifers and cows of all types became popular. As prices rose, explains Mr. Kerns, there was more and more culling done in breeding herds.

The following shows the average price for choice butcher steers at the Calgary market over the last five years. 1964, $22.00 per cwt.; 1965, $23.60 per cwt; 1966, $25.50 per cwt.; 1967, $26.75 per cwt.; 1968, $26.55 per cwt.

Mr. Kerns reports that the cow population in this province has been declining since 1966. With this decline in both beef and dairy herds and with heifers competing with steers for space in feedlots, Alberta will be hard pressed to provide replacements for its cow herds.

Also, technological advances such as the use of MGA to supress estrus has made feeding heifers increasingly profitable for feeders.

Cows on farms in Alberta June 1st (in thousands), Beef: 1969, 1,075 cows, 360 heifers; 1968, 1,083 cows, 354 heifers; 1967, 1,104 cows, 400 heifers; 1966 1,120 cows, 361 heifers. Dairy: 1969, 200 cows, 40 heifers; 1968 215 cows, 44 heifers; 1967, 235 cows, 48 heifers; 1966, 243 cows 51 heifers.

Mr. Kerns believes, however, that Alberta's cattle population can be considerably increased with a little planning and good management. Because of poor market prospects for wheat, a portion of the land now growing this crop could be converted to feed grain and fodder crops for cattle. More total digestible nutrients can often be obtained per acre from these crops than from straight wheat.

Reseeding overgrazed prairie pastures and clearing, breaking and seeding wooded areas to tame forage is another way of tackling the problem. Crossing fast-growing European cattle with present breeds will substantially increase the total pounds of beef produced. The infusion of large dairy cattle breeds can add size, growth rate and milking ability to beef cattle. Sound breeding programs can also eliminate such weaknesses as calving difficulties, light colored udders and dwarf carrying bloodlines, claims Mr. Kerns.

Improved winter range feeding programs, better nutrition and other management factors are all important in stepping up beef production.

Christmas in October?

It may seem unreasonably early, but we are urging patrons to come in now and pose for CHRISTMAS PORTRAITS. Its one gift you cannot rush out and purchase at the last minute, because good professional portraits cannot be hurried, and they do take time and extra special care. Few gift choices for Christmas are as warm hearted, loving and truly welcome.

An Aberdeen-Angus beef bull, bred and owned by the Canada Department of Agriculture, has smashed all Canadian performance records for the breed. During a 140-day test period, Showcase Eric Eagle shown above, a product of the showcase herd at the Central Experimental Farm in Ottawa, put on weight at the astonishing rate of 3.93 pounds a day. His weight per day of age comes to 3.16 pounds per day. This gives him an adjusted weight gain of 1,154 pounds.

ENTWISTLE NEWS

The Elks Whist Drive which was held on October 18th had seven tables playing. Winners were: Ladies, Muriel Johnston, Mrs. Jean Smith 2nd, Ivy Anderson, Con. Mens, 1st George Bullock, 2nd David Oliver, Con. Leo Saretsky.

The door prize was also won by Leo Saretsky. The next date for whist is November 1st.

The Entwistle 4-H Sewing Club held a sewing meeting on October 15th. Not much sewing was accomplished as all were asking questions on the 4-H banquet which takes place on October 24th. The banquet will honor all those who have won anything during the past year. There are 2 second year members, being Beverley Cameron and Gail Brown.

The Elks annual turkey supper held on October 19th had a good turnout and the weather was very favorable. We hope all enjoyed the supper and many thanks to all who donated and helped in any way.

Mrs. Mary Gorham and Mrs. S. Smith of Edmonton visited the Oliver home on October 19. They are old friends of John Oliver's family.

Mr. and Mrs. Dalton Urquhart of Red Deer spent some time on Monday, October 20th visiting at the Oliver home.

Wendy and Eldon Ostashek of Edmonton were visiting at the Fred Harris home on the weekend

Mr. and Mrs. Stan Jevne visited at Taber on the weekend.

Calgary Power proudly congratulates

ALBERTA'S 1969 JUNIOR CITIZEN AWARD WINNERS

The proud young Albertans pictured above are some of the 1969 Junior Citizen Award Winners. They are seen with the Honorable Fred Colborne while on a tour of the Alberta Legislature, following a presentation of awards by Lieutenant Governor Grant MacEwan.

We congratulate these enterprising young people and thank Alberta's Weekly Newspaper Editors for their active participation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

The Calgary Power winners for 1969 were: Jeffrey Biggs, Gordon Spooner, Brian Hughston, Dennis Haight, and Lorne Trotter on an individual basis; and the Okotoks Youth Organization received the group award.

Tomahawk News

The Tomahawk Lutheran Immanuel congregation had a very successful day on October 19th celebrating 30 years in their building.

Dr. Schurmann delivered his message to a packed church in the morning, after which Mr. Ralph Jesperson brought warm congratulations from the Government. Mr. Rudolph Zander brought greetings from the County of Parkland.

Many visitors from Drayton Valley, Breton, Sangudo, Entwistle and surrounding areas were present.

A delicious pot luck dinner was served followed by Rev. Raduesz delivering the afternoon message. Coffee and cake and visiting with old friends completed the day.

Mr. Cecil Armstrong of the Recreational Board met recently with the Council, in regards to the building originally planned in Tomahawk for the skating rink. He has now informed us that the building will be forthcoming, if not this fall as soon as possible, and a new well will also be drilled.

Oweing to the large attendance at the sewing class on Tuesday evening it has been decided to split the group into two classes, and add Wednesday evening also. Mrs. Gloria Jouan the instructress, will now be assited by Mrs. Evelyn Lukaniuk.

Miss Terry Pezzot, the instructress for the arts and crafts class which meets on Friday evening, has asked me to inform anyone who is interested that they still have room for a few more joiners. This is a very interesting class and I'm sure anyone joining it would find it very useful besides entertaining. She plans to hold an open house after the next class.

The Tomahawk Lutheran Ladies Aid held their regular monthly meeting at the home of Mrs. Della Steinke. Twelve members were present.

The main business of the evening consisted of making arrangements for the serving of lunch to the young peoples rally which is to be held in Tomahawk on November 30th. Plans for a Christmas Tea, Apron and Bake Sale to be held on December 6th at the Tomahawk Community Hall. A delicious lunch was served by the hostess to complete the meeting.

Mrs. Lloyd Remus and her daughter Lynn from Grande Prairie were recent visitors at the home of Mr. and Mrs. Jim Shaw of Tomahawk.

Mrs. John Koyko, formerly of Tomahawk, has been staying at the home of her daughter, Mrs. Frances Piskunowicz, until recently and now has returned to Edmonton.
